

Ashland Wildfire Workshop

How to protect your
home from wildfire

Oregon has a long history of wildfire. However, there are simple steps you can take to dramatically reduce the chance of your home igniting during wildfire events.

We invite you to join us for an interactive wildfire preparedness workshop, available both **in-person** and via **Zoom**.

The workshop is hosted by the Fire Adapted Ashland and the Boise State Hazard and Climate Resilience Institute.

If you need help registering, please contact **Kelly Burns**, City of Ashland Emergency Management Coordinator, at (541) 880-3564 or kelly.burns@ashland.or.us
