SUMMARY

The biennial budget for the City provides appropriations and expenditure authority for a two-year period. However, the Council must declare that they are eligible to receive and elect to receive state revenue sharing. Per Oregon Budget Law, the City Council is responsible for completing the approval process by completing the following after the public hearing:

Resolution Confirming Jurisdictional Qualification for State Subventions and Resolution to Receive State Funds

Council certifies that the City qualifies for subventions (revenues shared by the state) by resolution each year. Additionally, Council annually adopts a resolution electing to receive an apportionment of the Oregon Department of Administrative Services General Fund revenues derived from taxes imposed as part of state revenue sharing.
