BACKGROUND AND ADDITIONAL INFORMATION

Item 1 – The resolution will reverse the supplemental budget that was approved on April 5, 2022. The supplemental budget only impacted two (2) funds. The Community Development Block Grant Fund and the Telecommunications Funds. The reversing entries are on the attached detail sheet. This will have any payments towards the PERs UAL as a personnel service expenditure.

Item 2 – The resolution will change how Marijuana is recorded in the fiscal year 2022-2023. The Marijuana tax the City of Ashland receives is unrestricted. It should be recorded in the General Fund and spent as directed by Council. Currently the Marijuana tax is being recorded in the Housing Fund. This supplemental budget will move the revenue to the General Fund and then add a transfer to the Housing Fund. There is no change to the appropriations.

Item 3- The resolution will recognize and appropriate \$100,000 of greater than budgeted revenue for the restricted portions of the TLT revenue. The corresponding recommended appropriations are as follows:

\$70,000 - funding for a portion of a Communications Program

\$20,000 – funding for a portion of a Diversity, Equity and Inclusion Program (D,E & I)

\$10,000 – funding for a portion of the maintenance of watershed trails

Item 4 – The resolution will reduce Expenditures in the 2021-2023 Biennium. The 2021-2023 had expenditures exceeding revenues by \$1 million. The Budget Committee directed City staff to reduce the budget during the biennium to reconcile the difference. This resolution will do that. The details are as follows:

Ongoing Expenditure Adjustments	
Budgeted General Fund deficit in the 2021-2023 biennial budget	(1,000,000)
