Seismic Statement of Contractor Responsibility

Contractor Name: _____

Project Name/Description: _____

Project Address: _____

***1704.4 OSSC Contractor responsibility.** Each contractor responsible for the construction of a main wind-or seismic force-resisting system, designated seismic system or a wind- or seismic force- resisting component listed in the statement of special inspections shall submit a written statement of responsibility to the building official and the owner or the owner’s authorized agent prior to the commencement of work on the system or component. The contractor’s statement of responsibility shall contain acknowledgement of awareness of the special requirements contained in the statement of special inspections.*

By signing below, the contractor acknowledges their responsibility for the special requirements contained in the Statement of Special Inspections in accordance with 1704.4 OSSC.
